

ASSEMBLY INSTRUCTIONS

1. Carefully unpack and identify all parts referring to illustration for parts identification.
2. Turn the power to the installation point OFF.
3. Feed the wire through the character line deduction (A1) to the desired length and secure with screws.
4. Refer to the additional installation instructions included with the product for wiring and installation.
5. Install the Cap (4) and shade (5) onto the socket (3) and secure with socket ring (6).
6. Install a proper bulb (not included) into the socket referring to the markings and/or labels on the fixture for maximum wattage.
7. Restore power to the installation point and retain this sheet for future reference.
